

## Inversión Precisa CUSTOMERS

Accurate Investment is a Certificate of Deposit issued by InterCam Bank, short, medium and long term. This Certificate of Deposit offers attractive returns based on the agreed term, with monthly interest payments deposited to your checking account.

### BENEFITS

**Competitiveness** for being an investment operated with a preferential rate.

**Certainty**, from the beginning of the operation the Customer will know the exact amount of yield, since the investment rate is fixed throughout maturity.

**Versatility** because it has automatic renewal of principal and interest for the same term.
